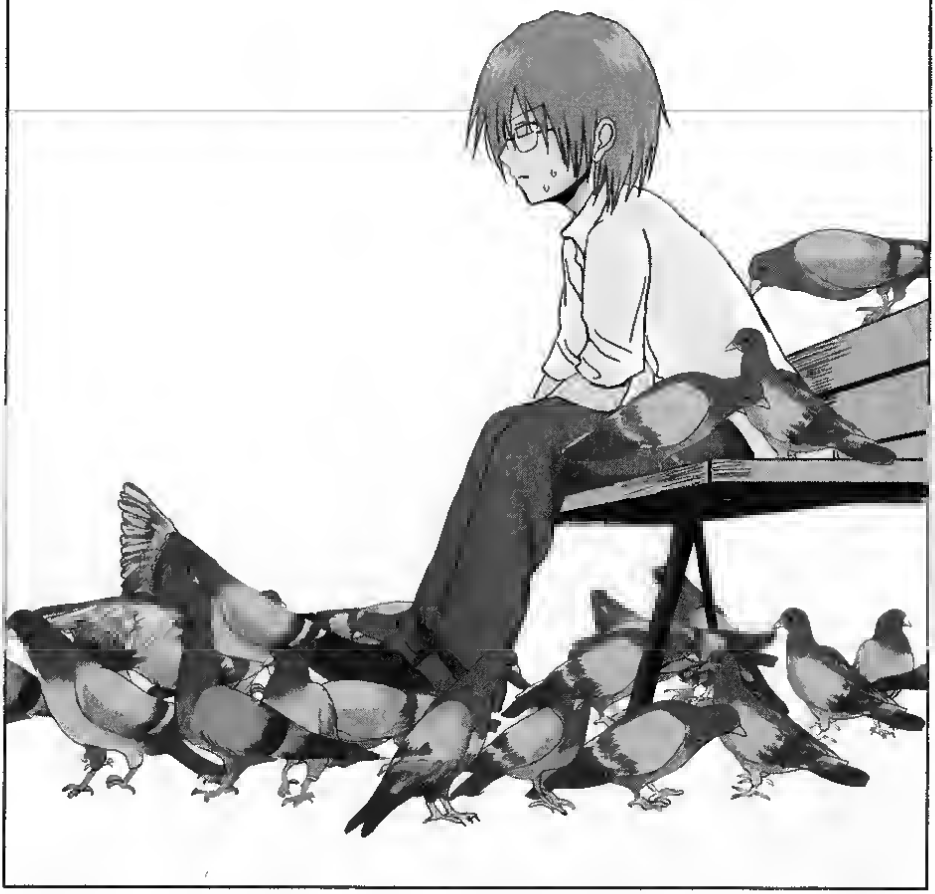
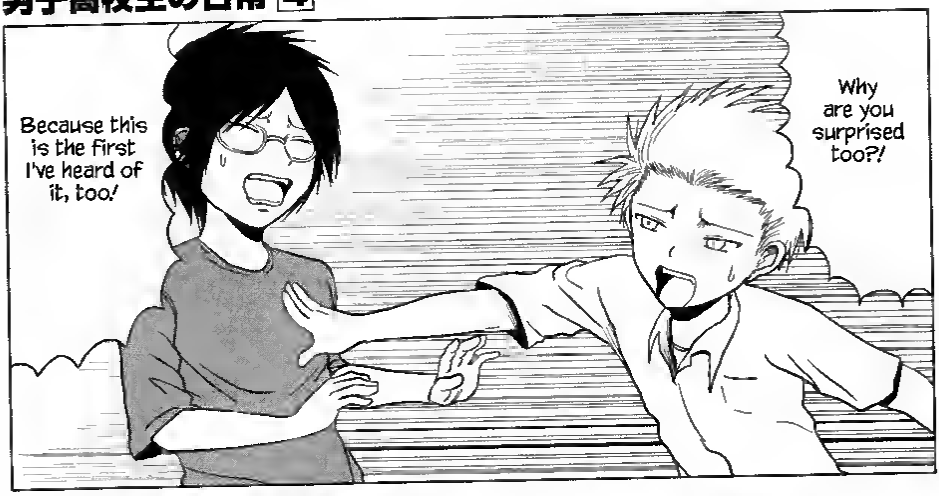
Chapter 53: High School Boys & Older Siblings

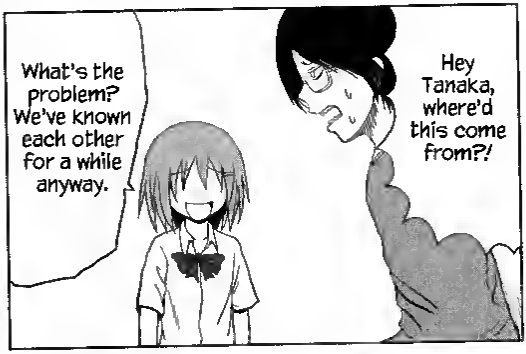


We started dating!
Hidenori's older brother



Why are you surprised too?!
Because this is the first I've heard of it, too!

No way in hell!
You're so selfish.

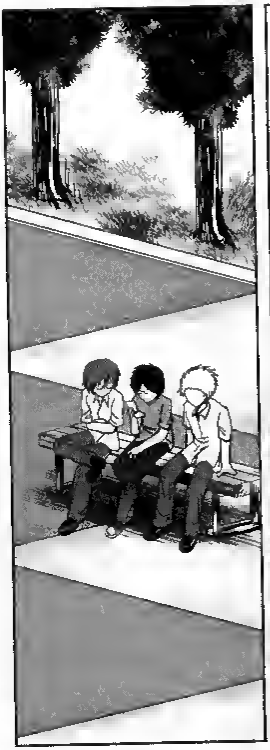


Hey Tanaka, where'd this come from?!
What's the problem? We've known each other for a while anyway.

That's why they call your type a herbivorous male.
I just don't eat poisoned meat!
Hey, wait a minute!

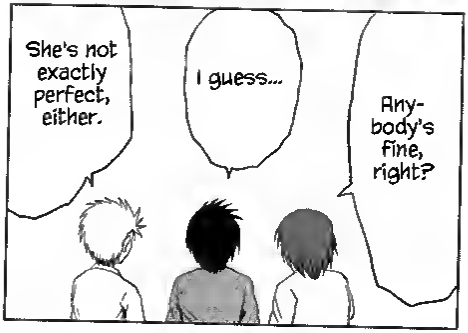
You're going to date him, right? Can you kiss this guy?
What ?!
Well, you're free to love whomever you want, so I'd approve of it.
But there's one thing I want to know.
OF COURSE NOT!
HAHA HAHAHA! WHAT ARE YOU SAYING?

Maybe she's been trying too hard to find a summer boyfriend and finally cracked.
Ye gods, she's completely lost it! This is bad, man.
I feel sorry for her.



Well, Tanaka, you really are strange. So just wait a minute.
Shouldn't we do something for her? Yuusuke-san, could you introduce her to one of your friends? I can't watch this. That's my sister after all!
You guys are awfully rude.

What kind of guy is he?
A pervert. No good.
What about this guy?
Oh, a pervert.
Then how about this one?



Any-body's fine, right?
I guess...
She's not exactly perfect, either.

Nope, he's also a pervert.
Are perverts all you know?

So I know this girl. Wanna meet her?
What? Really? What's she like?

Oh, hey. Yeah, been a while.
Is now a good time?

Really?! Sure I'll meet her!
She's a high school girl one year younger than me.

Is she cute?
Uh, yeah. Hold on a minute...

What did her face look like again?

Chapter 55: High School Boys and the End of Summer

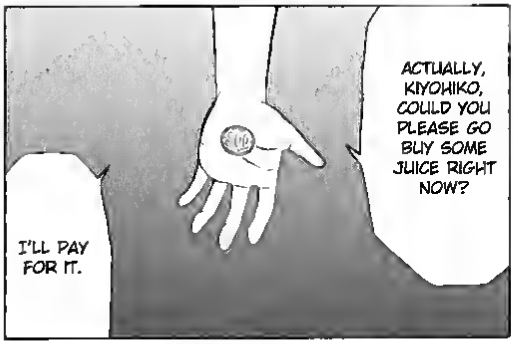
山内泰延
やまうちやすのぶ

I MADE A MYSTERIOUS FRIEND THIS SUMMER VACATION.

ALONG WITH MY CHILDHOOD FRIEND KIYOHIKO, THE THREE OF US HAS SINCE THEN BECOME GOOD FRIENDS AND HANG OUT WITH EACH OTHER.

OUR FIRST MEETING BEGAN WITH ME KICKING HIM INTO THE CREEK.

BUT APPARENTLY HE IS HEADING BACK TO HIS HOMETOWN TOMORROW MORNING...
THIS SUMMER THAT I'VE SPENT WITH THIS PERSON WAS PRETTY FUN.



ACTUALLY, KIYOHIKO, COULD YOU PLEASE GO BUY SOME JUICE RIGHT NOW?
I'LL PAY FOR IT.

TOO SLOW! WHAT WERE YOU GUYS DOING? THE FESTIVAL'S GOING TO START!
OUR BAD, SORRY.

JUST GO.
SURE, BUT WEREN'T YOU IN A HURRY?
BEFORE THAT HAPPENS

BEFORE HE LEAVES...

THERE'S SOMETHING THAT NO MATTER WHAT, I NEED TO TELL HIM.

DIDN'T I TELL YOU BEFORE? AT THE HOUSE OVER ON THAT HILL.
AH- THAT'S RIGHT...

HM?
HI-HIDEN-ORI, WHERE ARE YOU STAYING?

SO... YOU KNOW.. ER...
WHAT?
NOPE,
NOT AT ALL.
HI-HI... HIDENORI, DO YOU... HAVE A GIRLFRIEND ?
EH!?
WHICH REMINDS ME, HOW ARE THINGS WITH KIYOHIKO?
.....

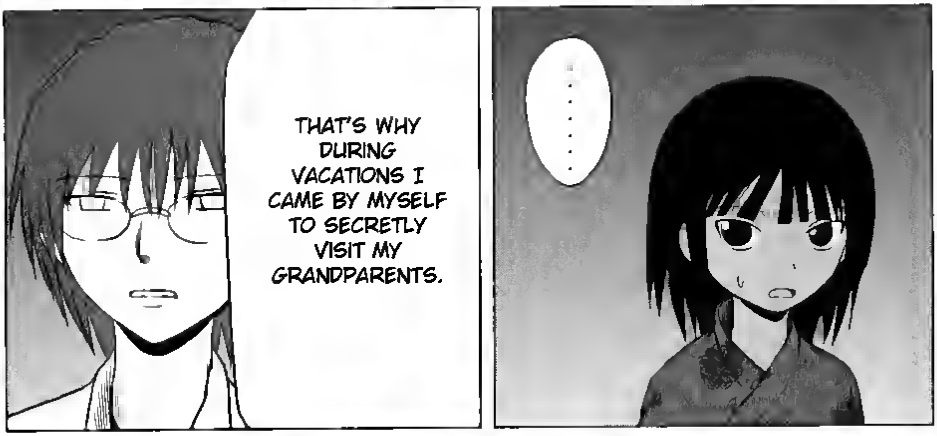
AH-HAHAHA, THAT'S WHAT I THOUGHT.
WAH...WHAT ARE YOU SAYING! HE'S JUST A NEIGHBOR, NOTHING MORE...!!

YOU KNOW ...
I..
AH!

THERE'S NO TURNING BACK... I JUST HAVE TO SAY IT.
. . . .

WHA-...
WHAT...
WHAT IS IT!?
I ALMOST FORGOT TO MENTION SOMETHING IMPORTANT.

YOU SEE... MY MOTHER WAS DISOWNED BY HER PARENTS ...
SO WE NEVER WENT TO ANY OF THE FAMILY GATHERINGS



THAT'S WHY DURING VACATIONS I CAME BY MYSELF TO SECRETLY VISIT MY GRANDPARENTS.
.....

AND JUST YESTERDAY ...
MY AUNT TOLD ME THAT..

APPARENTLY, WE'RE COUSINS ...

AND THAT IS HOW MY UNFRUITFUL SUMMER ENDED.

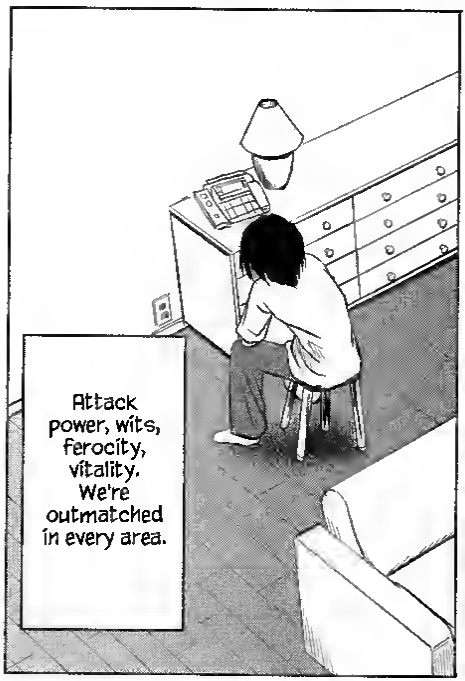
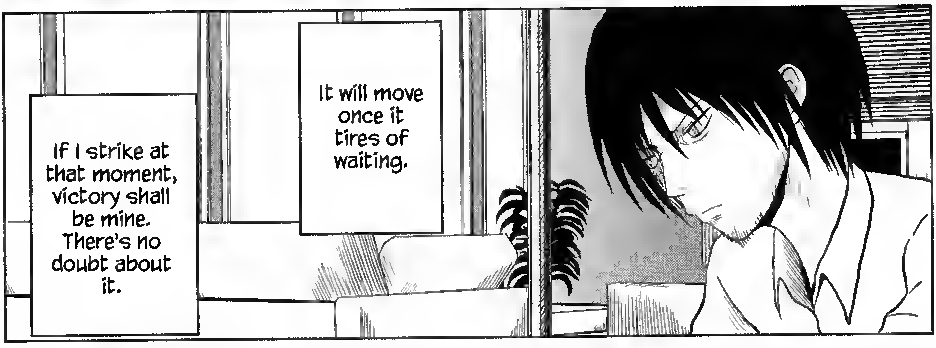
Chapter 56: High School Boys & 100



Attack power, wits, ferocity, vitality. We're outmatched in every area.

Can humanity win against them?

Humanity wins at concentration!
However!

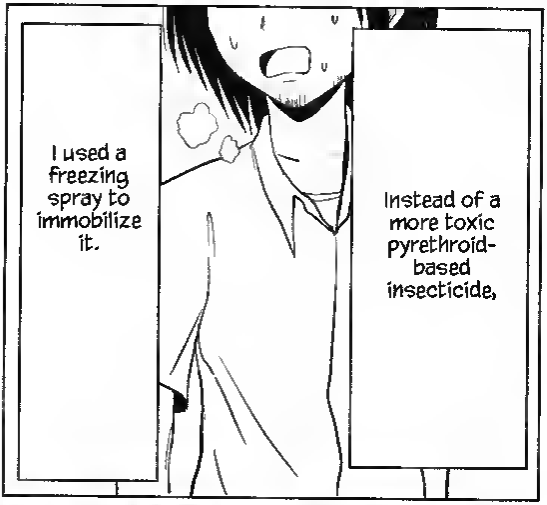


If I strike at that moment, victory shall be mine. There's no doubt about it.
It will move once it tires of waiting.

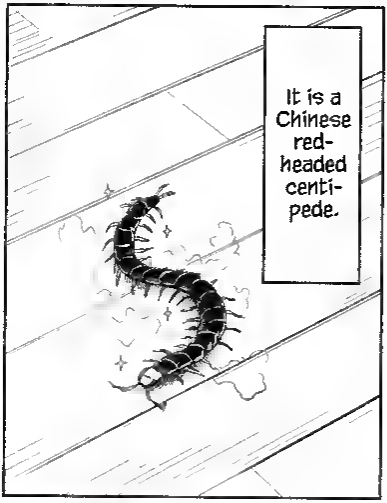
AAAAAAHH!!

!

プシュー

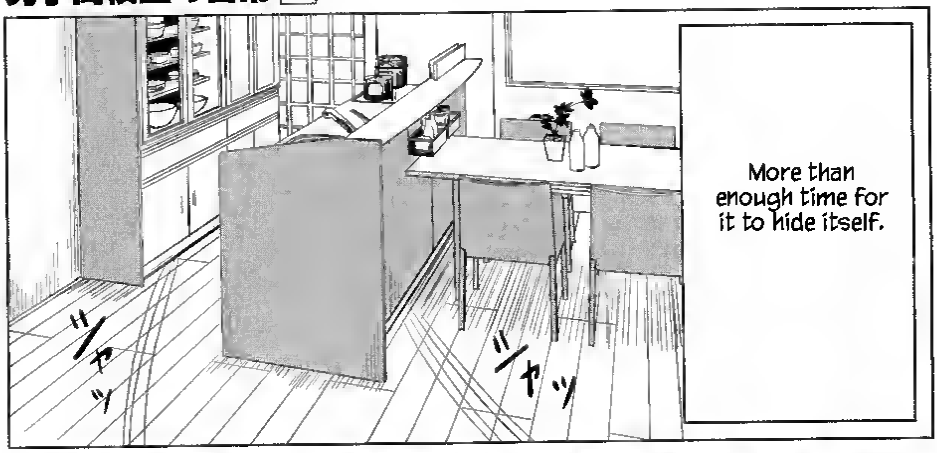


I used a freezing spray to immobilize it.
Instead of a more toxic pyrethroid-based insecticide,

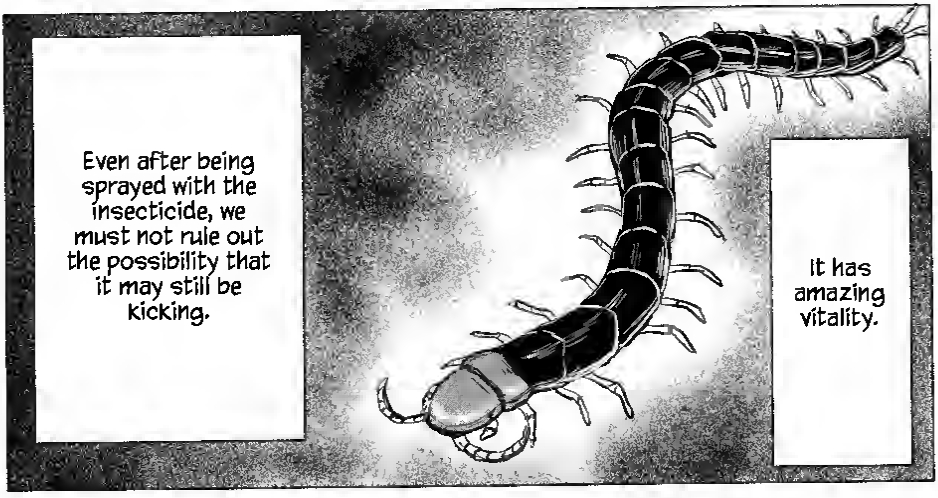


It is a Chinese red-headed centi-pede.

With larger centipedes, the immobilizing insecticide takes about eight seconds to take effect.
Because I must deliver a crushing final blow.

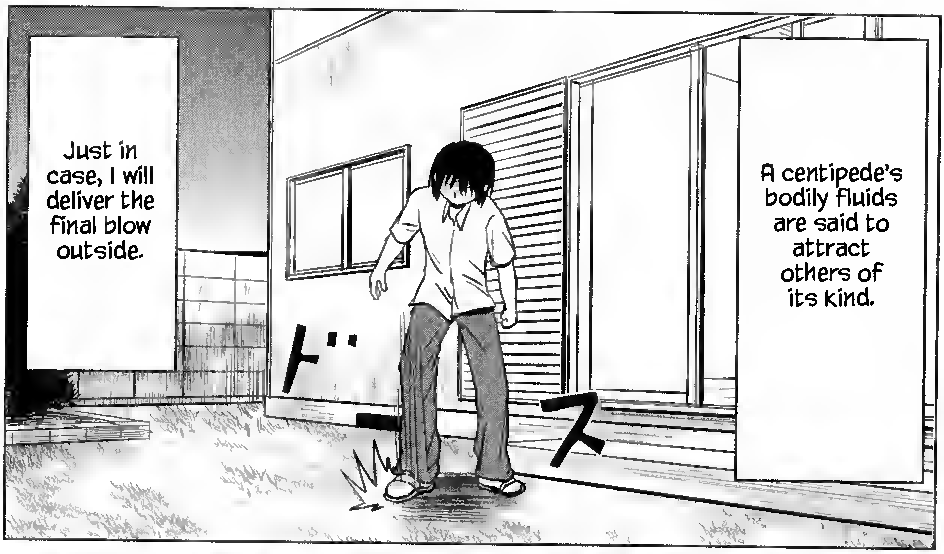


More than enough time for it to hide itself.
ハヤッ
ハヤッ

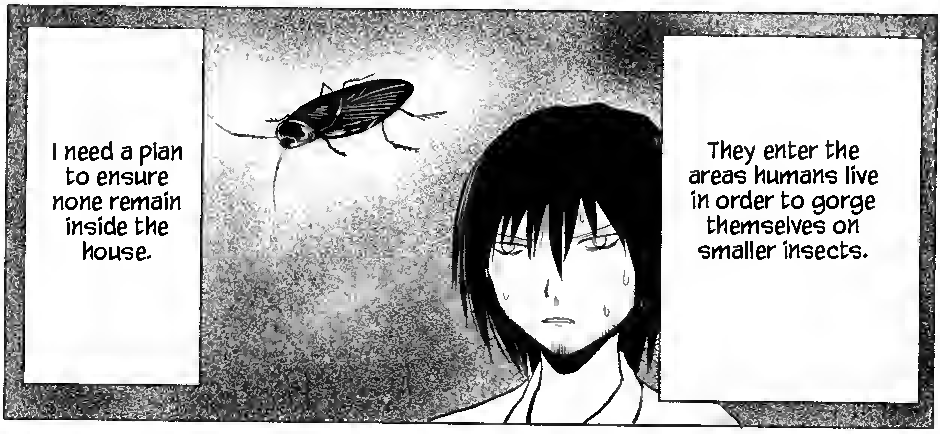


Even after being sprayed with the insecticide, we must not rule out the possibility that it may still be kicking.
It has amazing vitality.

I forgot to mention this, but because centipedes are poisonous, getting bitten by one really hurts.
ガラガラ
With a freezing spray, I can immobilize it in about 3 seconds.



Just in case, I will deliver the final blow outside.
A centipede's bodily fluids are said to attract others of its kind.
ドーン



I need a plan to ensure none remain inside the house.
They enter the areas humans live in order to gorge themselves on smaller insects.

Even the larger types can enter with an opening of only three millimetres.
No joke.
Now all that remains is to confirm the route of infiltration.

ガラガラ
I can make a good guess. It is most likely the west window facing the forest.
あっち！
In this season, we must be careful not to open the window all the way. Otherwise, a surprising number may invade.
ガラ

Chapter 57: High School Boys & Glasses

Oh crap!

What's wrong?
Hmm?

I CAN'T FIND MY GLASSES!

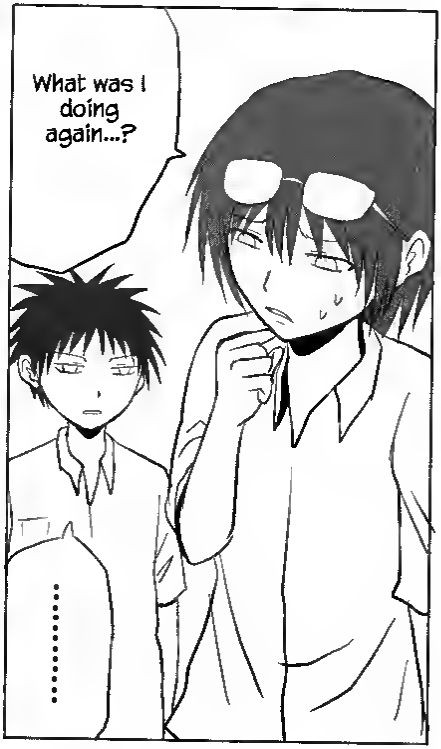
When did you lose them?
He's hopeless.
What the heck, dude.

Maybe you dropped them while you were going to the bathroom?
Probably when I was washing my face in the bathroom just now.

Hmm...
Where did you go before the bathroom?

They're not around the toilet.
They're not here.

But they're on his head...



What was I doing again...?
.....

.....
Oh, right. I bought some juice from the vending machine on the first floor.
The first floor, huh?

Of course not. They're on his head.
What's this all about?

They aren't on the floor.

Why doesn't anyone point it out to him?
That's right, I went to the east building, too!
For real?
I see. So it's that kind of joke, huh? They know, but they're going along with it.
Which means
What the heck were you doing at the east building?
the timing of the punchline is of utmost importance!

No way!
Hang on, they're on your head.
Hahaha Hahaha!!
Hidenori, you're such an idiot.
DON'T LAUGH !!

Okay then, let's start the meeting.

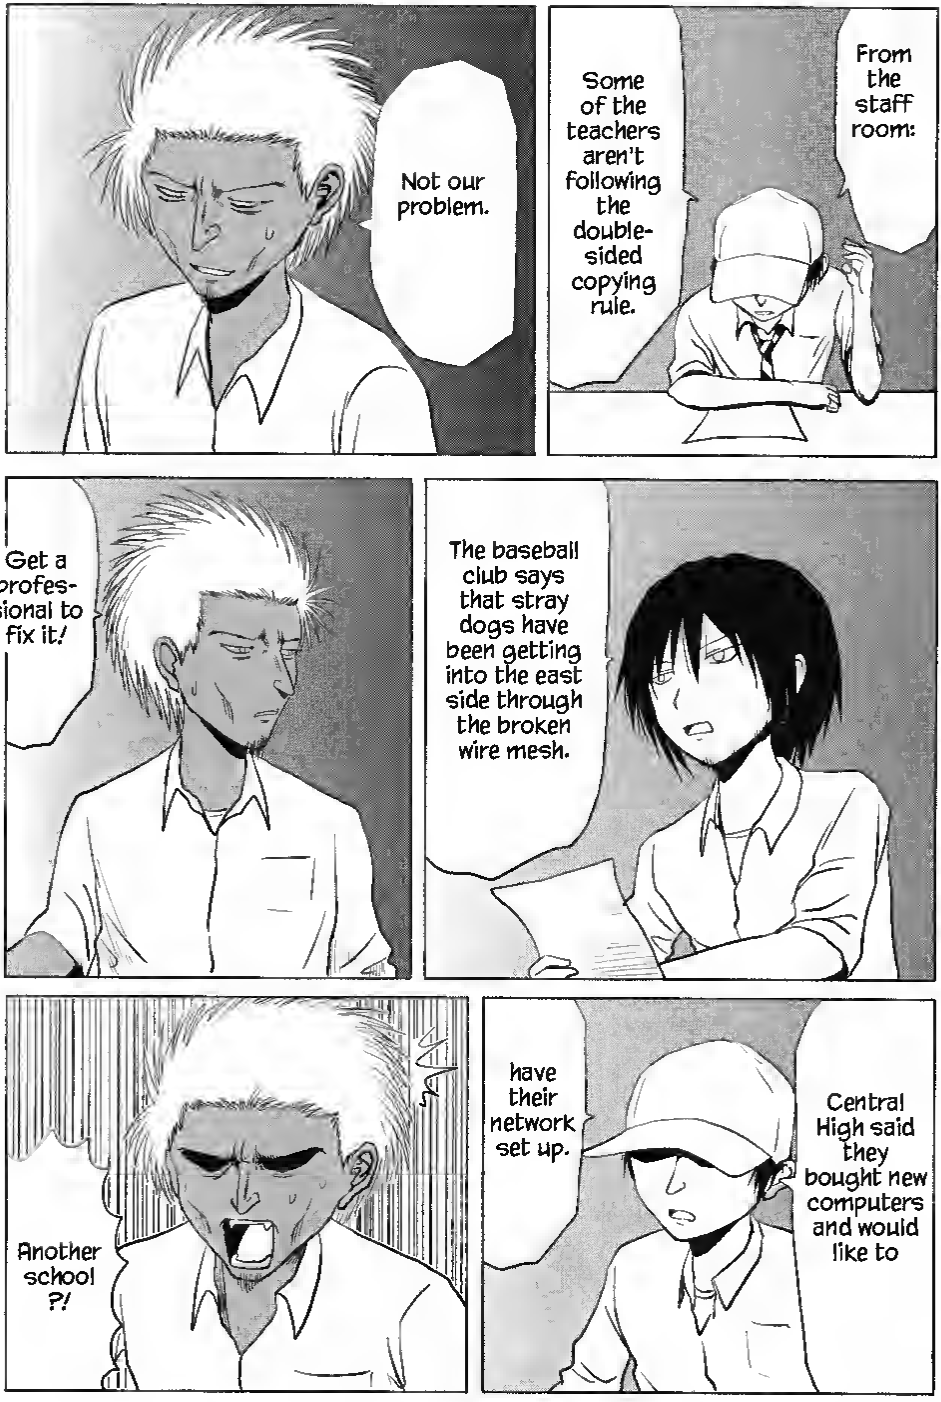
Do we need more trash cans, I wonder.
The cafeteria's upset about drink cartons getting dropped into the used silverware return slot.
Can't they just change the layout to what they want and reprint it?
Our advisor says to do something about the PR brochure being so hard to read.
Is there anything else?



Not our problem.
From the staff room:
Some of the teachers aren't following the double-sided copying rule.
Get a profes-sional to fix it!
The baseball club says that stray dogs have been getting into the east side through the broken wire mesh.
Another school ?!

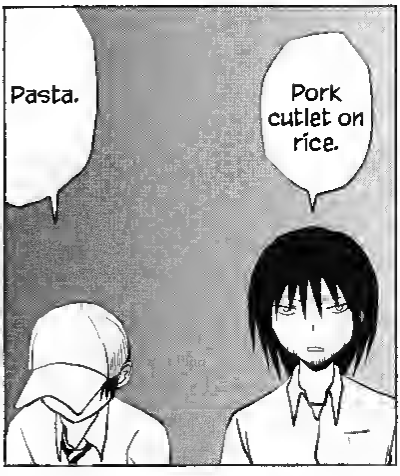
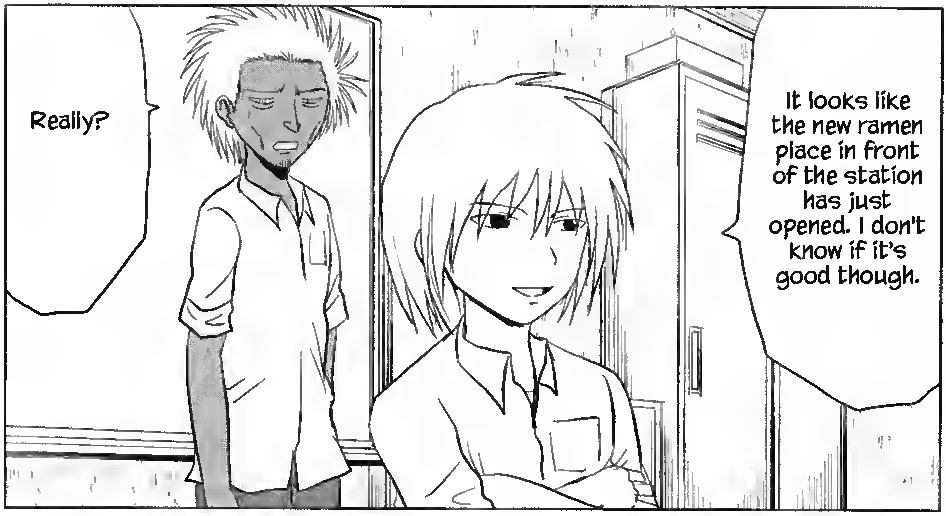
Well, whatever. More importantly, I'm hungry. Let's go grab some food somewhere once we're done.

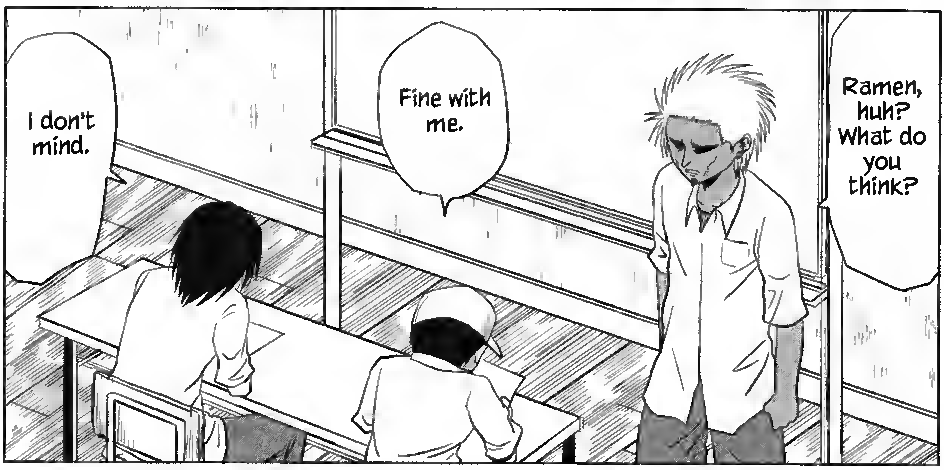
Eel would be nice.
We don't have that kind of money.



Pasta.
Pork cutlet on rice.



It looks like the new ramen place in front of the station has just opened. I don't know if it's good though.
Really?



Ramen, huh? What do you think?
Fine with me.
I don't mind.

At least we got one thing settled.
We haven't settled a single thing!

Well, our vice president used to be pretty wild, too.
So that's what happ-ened.
